SUPERIOR COURT OF WASHINGTON FOR PIERCE COUNTY

STATE OF WASHINGTON,

Plaintiff,

CAUSE NO. 12-1-00807-0

vs.

ALAN LEIGHTON O'NEILL,

DECLARATION FOR DETERMINATION OF
PROBABLE CAUSE

Defendant.

GRANT E. BLINN, declares under penalty of perjury:

That I am a deputy prosecuting attorney for Pierce County and I am familiar with the police report and/or investigation conducted by the PIERCE COUNTY SHERIFF, incident number 120390482;

That the police report and/or investigation provided me the following information;

That in Pierce County, Washington, on or about the 8th day of February, 2012, the defendant, ALAN LEIGHTON O'NEILL, did commit the crime of Bigamy.

According to certified documents at the office of the Pierce County Auditor, the defendant married Ellenora Victoria Harmon (now Ellenora Fulk) on 04/16/2001. According to records from Pierce County District Court, Alan Leighton Fulk petitioned to change his last name to O'Neill. That petition was granted in Pierce County District Court. Although the date on the order is 12/14/10, the date it was filed was 12/14/11. The petition itself was dated 12/7/11 and was e-filed on 12/14/11. According to records from the Auditor's Office, the defendant then married Teri Ann Frye on 12/19/11 under his new last name.

Per the police report, Ellenora reported that the defendant moved out in 2009 but neither party filed for a legal separation or dissolution. In 2010, Ellenora found out about his relationship with Teri and she was arrested for domestic violence. When Ellenora learned that he may be married to Teri, she called his mother. An hour later the defendant arrived at her apartment and she asked him several times if they were divorced. The defendant said "No we are still married". She told him that she found out about him being married to Teri and he told her not to tell anyone and that he would fix the problem.

I DECLARE UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

DATED: March 8, 2012
PLACE: TACOMA, WA
